Hyomel Goes to the West of the Dis-

ease and Makes Astonishing Cures-

How the President Earns His Salary

The President's job-the most difficult position in the United States is the subject of an interesting article in the March 4th number of PUBLIC OPINION, on sale to-day. A Washington correspondent tells what the President does to earn his wages of \$50,000 a year. When you have read the details of his multifarious duties and realize what an ocean of worries surrounds his exalted position, you will have lost most of your Presidential ambition-if you ever had any.

Confessions of a Yellow Journalist.

This number contains the second chapter of the "Confessions of a Yellow Journalist." The author is a well-known editor employed by a New York "yellow" journal. These articles are published anonymously at the author's request. He tells of the inside workings of a "yellow" daily. Other special features in this number are:

Bribing a Legislature (A Lawson Episode)

By Denis Donohoe, The Divorce Evil By Bishop W. C. Doane. Who Controls Our Railroads By H. C. Nicholas. Entering the United States (A Study of the Immigration Question)..... By Albert Britt.

The Remaide of Diamond Mining By Allen Sangree, The regular weekly review of the world's news is presented, with the opinions of the press and the public on all important issues of

national and international interest.

Get Public Opinion To-Day.

Buy PUBLIC OPINION from your newsdealer for ten cents a copy, or send us \$1.00 and we will enter your name for twelve weeks' trial subscription and mail the paper to you direct each week. The March 4th number, out to-day, is an attractively illustrated, handsomely printed, 52-page weekly magazine, sparkling with human
